

EOS Staking & Investment Program Proposal

Presented by:
EOS Coinvest Ltd

Prepared for:
High-Net Investors

Executive Summary:

This proposal details the EOS staking rewards program, offering up to 14% daily returns for crypto and fiat investments. With 85.6K EOS distributed daily, this revamped program rewards early stakers through a secure and regulated framework.

Investment Opportunity in EOS Ecosystem

To Our Valued Investors,

EOS Coinvest offers exclusive investment opportunities in cryptocurrency staking and fiat. Authorized and regulated by the FCA, we provide a secure platform for high-net investors to maximize their returns through the innovative EOS ecosystem.

Objectives:

- Earn up to 14% daily by staking crypto or fiat
- Participate in the 250M EOS staking rewards program
- Benefit from daily distributions of 85.6K EOS
- Secure long-term growth with over 31M EOS tokens distributed annually

Investment Tiers:

1. Tier 1: 0.15% Hourly (\$500k - \$5M)
2. Tier 2: 0.17% Hourly (\$1M - \$10M)
3. Tier 3: 0.20% Hourly (\$5M+)
4. Flexible: Funds releasable after 48 hours

Security & Insurance:

Your investments are protected by a \$775M insurance cover via BitGo, backed by a syndicate of insurers in the Lloyd's of London. We maintain a 1:1 reserve ratio and utilize offline multi-signature wallets for maximum security.

Key Features:

- Daily distributions to all stakers
- 48-hour principal release option (1% fee)
- FCA regulated under reference 1023227
- \$488M Protection Fund for added security
- Structured 30-day program with extensions

Timeline:

The program is structured to run over a period of 30 days. It includes options for rolls and extensions, providing a flexible timeline for investors to capitalize on the attractive daily rewards.

Investment:

Our profit structure ensures high returns: 250% Net to Client, 30% Placement Agent fee, and 20% Agent's Commission. Minimum investment starts at \$500,000.00 USD.

Next Steps:

We look forward to welcoming you to the EOS Coinvest ecosystem. Our team is ready to help you manage your investments and unleash the power of cryptocurrency. Please contact us to begin your investment journey.
